DATABASICS! Workshops are designed to provide supplemental legal and interdisciplinary research instruction. Most workshops will be taught in the JSL Library Training Lab. Seating is limited, so the sessions are first come, first served. Arrangements for additional sessions; suggestions for future topics; or requests for further information may be made by phone at 386-7533; by emailing JSLReference@faulkner.edu; or by visiting the Library Research Office. Sessions in **BOLD** count fully toward required Continuing Research Education (CRE) credits for Library Student Reference Guide training. Other sessions may be substituted for 1/3 CRE credits each.
